

1 November 1952

MEMORANDUM FOR: Secretary, Project Review Committee
Comptroller

SUBJECT: Proposed Purchase of Rebuilt Surplus Construction
and Automotive Equipment

25X1A2d1
1. On 22 July 1952 the Director approved a recommendation of the PRC that the sum of \$127,000 be authorized to Project [REDACTED] for procuring and rehabilitating certain automotive construction and road building equipment.

25X1A6a
2. By cable (IN-49225) dated 31 October 1952, the Senior Representative [REDACTED] recommended that this authorization be withdrawn based on his determination that the contractor involved will not perform in accordance with his initial proposal. All negotiations in connection therewith have been cancelled.

3. The Senior Representative [REDACTED] has been informed of approval of his recommendations.

25X1A6a

4. Request that this project authorization in amount of \$127,000 be cancelled.

BY DIRECTION OF DD/P:

/s/
[REDACTED]
Chief of Administration, DD/P
